JULY 2009

Hello fellow members,

The L.A. Club will meet this Saturday July 4th, 2009. At the Burbank VFW, known as 'The Ship'. From 9:00 A.M. to 1:00 P.M. We will have the usual Coffee and Doughnuts, Show and tell, and of course the world class raffle table, that will be loaded with goodies for the July 4th Festivus for the restivus!

Mr. Mike Laxton will present this Months demonstration. Mike will be giving us the down low on paint finishing techniques, using the Tamiya acrylics system. This demo is not just for high gloss automobile finishes, it can also be applied on a number of other projects. This is definitely a demo that you would want to check out.

Lots of News regarding the website. Our website is under construction and will feature lots of new extras. I will give you the latest information at the meeting. Photography will be set up this month, so please bring in your projects that have not been photographed yet.

The WWI Nieuport Fighter Plane Project has been postponed for the July meeting and will be rescheduled for the August meeting. It's all Peter's fault, and that's all I got to say bout that!

Messages from around the modeling community: At our last Months meeting Mr. Michael Apodaca was giving us the scoop on the status of the Tamiya-Con Show. As Michael was downing some Sake shots with Mr. T. in Japan, He found out that Mr. T. was unaware of how many modelers were waiting for the Show to resurrect. Michael feels that, if enough people write to Mr. T., we might just get the show back into Southern California. Contact information was provided and we will pass it along at the meeting. A message from Shep Paine (The Babe Ruth of the modeling community) has been passed along regarding a fundraiser in honor of the memory of our good friend and fellow founding club member Rick Johnson. I will give you all the run down at the meeting. The American Heroes Air Show (Helicopter Show) will be held on Saturday July 11th 2009 from 9:00 AM to 4:00PM at the Hansen Dam Recreation and sports complex. (Visit www.Heroes-Airshow.com) That's all for now.

Marcelo Fuentes
Minister of Propaganda

HAPPY 4TH OF JULY
