JUNE 2010

Hello fellow members,

The LA Club will be meeting Saturday June 5, 2010 at the Burbank VFW "The Ship" from 9:00 AM to 1:00 PM. Coffee and doughnuts will be present as always. Don't forget that the Bar is always open!

Seems like it's been a while? Maybe it's just me, but I am looking forward to this month's meeting as it has always been one of the favorites with the Lamsonians. This month's meeting is the annual "Swap Meet" Bring in any kits, tools, books, movies, or anything that is applicable to our hobby and Interest to sell. We will set up the meeting floor to accommodate anyone that wishes to participate. Please keep in mind that we have many members and we want to insure that everyone has at least half a table. If you require more room you are welcomed to bring in your own table set-up. Any questions regarding the swap meet can be directed to yours truly.

The Show and tell table is "On" as always. Please bring in your current works in progress or completed pieces for all to see and admire.

I have to apologize to all regarding Auction #4, I tried very hard to complete my "Sitting Bull" bust, but I just could not pull it off. I have decided to include another piece from my collection in place of the bust. I will definitely be launching Auction #4 sometime next week, all the pics have been taken and they will be going to the web designer soon. The auction will include: Peter Ferks "Spartan King" bust / Dave Kennedy's "Leonidas" bust / Ken Schwartz's Sci-fi Macross "Regult-Scout" / Marcelo Fuentes' SS Tanker with turret / Doug Cohen's "The Front" vignette. Good luck to all.

There will be no photography this Month as I will be participating in the swap meet. Have lots of stuff to pawn off for cheap!

The LAMS 10th Anniversary mugs are in! And in my possession. We will be handing them out for the July 10th anniversary party. We will give you all the details at the meeting.

Lots of good Raffle items up for grabs at the meeting as well. That's all for now, see you all at the races.
