## MAY 2011

*Hello fellow members,*

*The LA Club will be meeting this Saturday May 7, 2011 from 9:00AM - 1:00 PM. We will be getting together at the "Ship!" in beautiful Burbank California.*

*Coffee, doughnuts, resin, plastic and heir Wolf!*

*Lot's of fun planned for the upcoming LAMS meeting this Saturday. We will be presenting all the way from da Bronx, Just for yooz guys! Live in person, (Johnny-Aka "Vinny-boom bats" Brosnan). Johnny B's Annual event, "**KIT BASH WITH TRASH**" you know the drill. Bring your shite to the club and build your very own sci-fi vehicles or accessories with regular household items. This is a hands on event and all are welcomed to join in on the fun. Available only at the ship!*

*Great raffle items on the world famous raffle table this month. I will save the surprise for the meeting. Armor, Aircraft, Automobiles, Sci-fi, Reference materials, Tools and figures are just some of the items that you will find on the LAMS raffle table.*

*But wait, There's more! Where else in Southern California are you going to see some of the latest kits, by some of the most talented artisans in their area of expertise on display month after Month? The LAMS show & Tell table.... that's where.*

*No Photo cube this month. Sorry! I just need a break. I have been very busy with work and Family. But I look forward to seeing you at the ship!*
